

Winchester – Storm Preparation Plan – Vulnerable People

As you know, a severe storm has been forecast to hit Winchester. Winds of 60MPH are predicted with the added risk of heavy rain. You are required to come up with an action plan to help some of the most vulnerable people in Winchester.

Location of **old age** homes in Winchester – do you need to evacuate any of the sites? What other measures might you put into place?

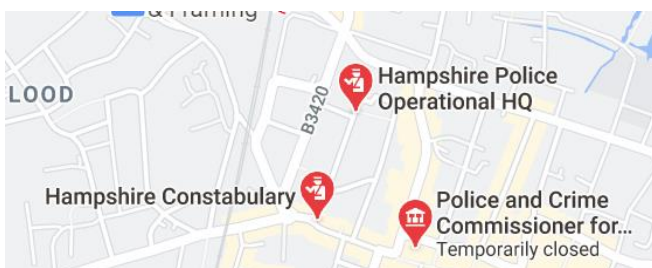

Hospitals: Winchester Hospital – space for 800 patients with an Accident and Emergency Department (AE) – What decisions might you need to take here?

Schools: There are 50 schools in Winchester including Primary and Secondary. What risks are there here? What advice will you pass on to schools in the area?

Emergency services: As well as a fire station, Winchester is home to the areas police force. What do you want the emergency services to do to help prevent the impact of the storm?

How can they help people? What skills do they have that could be useful?
