

# Group Whistleblowing Policy

---

## Policy statement

SSE's Whistleblowing Policy is that all employees are free to report wrongdoing fraud or malpractice without impunity or fear of repercussion.

## Policy purpose

This policy is intended to protect SSE and its stakeholders from the material risk posed by personal or collective wrongdoing. It underpins the principle of "if it's not right, we don't do it" that is described in the Guide to Ethical Business Conduct for SSE Employees.

SSE is committed to conducting its business with honesty and integrity and in compliance with all applicable laws and regulations and its responsibilities as a publicly listed company.

This policy is owned by the Director of Human Resources and is one of a suite of group-level policies that promote a healthy business culture, guide decisions and actions as expected by the company's stakeholders, and make SSE a responsible company that people want to invest in, buy from, work for and partner with.

Director of Human Resources

Chief Executive Officer

## ROLES AND RESPONSIBILITIES

This policy applies to all SSE employees and staff working in our sites.

**Business Unit MD's** and **Directors** are expected to set the tone for good ethical business conduct and demonstrate behaviours that set the highest possible standards for managers, employees and contractors.

**Managers** are responsible for making sure that their teams understand and comply with the policy and supporting procedures as well as complete any relevant training. They are expected to promote a working environment in which people feel confident to report wrongdoing, fraud or malpractice.

**Employees and contractors** working on SSE's behalf must comply with the policy and supporting procedures.

**Speak Up Ambassadors** should provide impartial advice to anyone raising a concern and escalate where necessary.

**SafeCall** is a specialist third party provider responsible for dealing in confidence with Speak Up concerns raised by SSE employees or contractors working on SSE's behalf.

## GOVERNANCE

The **SSE plc Board** and **Group Executive Committee** are responsible for the oversight for this policy including the approval of any changes to the policy. This policy is reviewed annually as part of an evaluation process.

There are clear channels for employees to escalate concerns about wrongdoing through line managers, nominated internal Speak Up contacts (listed in the Speak Up Procedure) and the Board's sub-committees.

The **Group Executive Committee** supports the Policy Owner and makes sure that the policy is adhered to through awareness, training and monitoring of policy implementation. Incidents and breaches are reviewed and where appropriate opportunities for improvement are actioned.

## TRAINING

SSE has an Ethics and Compliance eLearning programme for key topics to ensure we are all aware of our responsibilities for doing the right thing.

There is no specific training however the Whistleblowing Policy is referenced in all SSE Group Policies, in a number of mandatory training packages and is supported by an annual employee communication plan.

## SPEAKING UP

SSE takes pride in its reputation as a responsible company with a strong commitment to always do the right thing. SSE's core values – Safety, Service, Efficiency, Sustainability, Excellence and Teamwork – guide the actions employees take on the Company's behalf and the "decision tree" in the Guide to Ethical Business Conduct for SSE Employees helps people through ethical dilemmas. Bad things do, however, sometimes happen in good companies.

Speak Up reports made falsely, maliciously or for personal gain could result in disciplinary action. If an employee takes a concern to a mainstream or social media outlet, without following the appropriate channels it is unlikely that they will be given any protection against repercussions.

Wrongdoing brought to light through the Whistleblowing Policy will result in internal disciplinary procedures, possible dismissal and criminal prosecution of individuals involved.

If you see or hear something that falls short of our expected high standards of ethical conduct and compliance you should be able to discuss it with your manager or a Speak Up Ambassador, but when that is not possible you are encouraged to raise issues with SafeCall through the following channels:

- Phone: 0800 915 1571 (UK) 1800 812 740 (Ireland)
- Email: [sse@safecall.co.uk](mailto:sse@safecall.co.uk)

## SUPPORTING DOCUMENTS

SSE's guide to ethical business conduct [Doing the Right Thing](#) sets out clearly the behaviours and standards expected of all of our employees.

Further guidance including a list of Speak Up ambassadors can be found in

- PR-COR-005 [Whistleblowing Procedure - Speak Up](#).

## DEFINITIONS

**Whistleblowing** is the act of exposing information about unethical or illegal activity within an organisation.

At SSE, whistleblowing is referred to as “**speaking up**” and it is supported by an independent, third-party service provider, **SafeCall**, that people can go to anonymously to raise concerns.

**Wrongdoing** covered by this policy refers to any genuine concern about decisions or actions that are contrary to SSE’s code of ethical business conduct. This policy does not cover minor HR concerns or personal grievances.
