Policy purpose

The purpose of this policy is to create an approach to employment standards, inclusion and diversity, and learning opportunities that fosters a great place to work.

This policy is owned by the Director of Human Resources and is one of a suite of group-level policies that promote a healthy business culture, guide decisions and actions as expected by the company's stakeholders, and make SSE a responsible company that people want to invest in, buy from, work for and partner with.

ROLES AND RESPONSIBILITIES

This policy applies to all SSE employees. We also expect employees of third parties and those working on our premises and with our employees to meet the same level of standards as described in our employment standards section.

Managers are responsible for making sure that their teams understand and comply with the policy and supporting procedures as well as complete any relevant training. We support our managers to engage with our employees. We set clear objectives and give regular feedback through our Performance Management system.

All employees must comply with the policy and supporting procedures and complete all relevant training.

GOVERNANCE

The **SSE plc Board** and **Group Executive Committee** are responsible for the oversight for this policy including the approval of any changes to the policy.

The **Group Executive Committee** supports the Policy Owner and makes sure that the policy is adhered to through awareness, training and monitoring of policy implementation. Incidents and breaches are reviewed and where appropriate opportunities for improvement are actioned.

TRAINING

SSE has an Ethics and Compliance eLearning programme for key topics to ensure we are all aware of our responsibilities for doing the right thing. This includes a mandatory Inclusion and Diversity module for all employees every two years. Inclusion and Diversity training is also available for hiring managers.

At SSE we aim to ensure that everyone that works here has the opportunity to develop key skills to perform their jobs effectively and reach their full potential.

SPEAKING UP

Satisfactory conduct is implicit in each employee's contract of employment. Failure to observe this policy and employee rules represents misconduct and may, following investigation, lead to disciplinary action being taken against the individual in accordance with the Company's Disciplinary Procedure. SSE processes and procedures are designed to ensure that there is consistent and fair treatment of individuals whose conduct falls short of the standards expected and required by the Company and to encourage, as far as possible, a permanent improvement.

The disciplinary procedure is not appropriate for dealing with cases of poor work performance or poor attendance where there is no alleged misconduct. These will be handled separately under the Company's performance improvement or sickness absence procedures.

If you see or hear something that falls short of our expected high standards of ethical conduct and compliance you should be able to discuss it with your manager or a Speak Up Ambassador, but when that is not possible you are encouraged to raise issues with SafeCall through the following channels:

- Phone: 0800 915 1571 (UK) 1800 812 740 (Ireland)
